Request for Proposals (RFP) for Pool Consultants
Rebuild: Cohocksink Recreation Center

Community Ventures, a non-profit, 501(c)(3) developer, has been selected as one of 20 non-profit organizations called “Project Users” to manage Rebuild projects. This RFP is to solicit proposals from qualified applicant vendors to provide pool consulting services to evaluate the current conditions of the swimming pool located on the grounds of the Cohocksink Recreation Center, an existing recreation center which is part of the City of Philadelphia’s Rebuild program. Rebuilding Community Infrastructure (Rebuild) is a City of Philadelphia program to invest hundreds of millions of dollars to improve neighborhood parks, recreation centers, and libraries.

RFP Overview

The intent of this RFP is to have pool consultants provide information about their experience, qualifications and a fee proposal in order to be considered as consultants to evaluate the working conditions of the swimming pool and related equipment/ systems, and to make recommendations for needed repairs and improvements located on the grounds of the Cohocksink Recreation Center, an existing recreation center located at 2901 Cedar St, Philadelphia, PA 19134.
Section I - Project Overview and General Information

A. Purpose of Request:
The intent of this RFP (Request for Proposals) is for Community Ventures to solicit pool consulting services from vendor applicants who will provide information about their experience, qualifications, and fee proposal in order to be considered as consultants to assess the working conditions of the swimming pool on the grounds and make recommendations for improvements at the Cohocksink Recreation Center.

Through this RFP submission, applicants will be contracted with Community Ventures, who is managing the Rebuild Cohocksink Recreation Center improvements.

B. Rebuild Program Goals:
Made possible by the Philadelphia Beverage Tax, Rebuild will invest hundreds of millions of dollars in improving community facilities. Through its projects, Rebuild will:
- Make physical improvements to parks, recreation centers and libraries.
- Promote diversity and economic inclusion. Rebuild will support minorities and women who work (or want to work) in the design and construction industries.
- Engage with community members to leverage their knowledge, power, and expertise. Community feedback will inform the improvements that are made to facilities.

For more information see phila.gov/programs/rebuild

C. Anticipated applicant services included in RFP
The Cohocksink Recreation Center is an existing Philadelphia Parks & Recreation facility located at 2901 Cedar St, Philadelphia, PA 19134.

The following issues known current issues:
- Deck drainage issues.
- All pool caps are not supported.
- Main drain often has discharge problems.

Services included in this RFP:
- Evaluation of the swimming pool basin, deck, apron and its overall structural integrity,
- Evaluation of all related and relevant systems and equipment, including but not limited to: filtration, plumbing piping, electrical, controls etc.
- Production of a report including:
Request for Proposals / Vendor Services
Issue Date: July 13, 2020
Due Date: July 27, 2020 at 4 p.m.

- Detailed observations of the working condition of the swimming pool, its components and related systems. Identification of working status should include if they are in good working condition, their typical life expectancy and expected remaining service life (if applicable).
- Best practice recommendations for repair and/or replacements.
- Photographs of current conditions and deficiencies
- Related drawings/diagrams as needed to clarify areas of repairs
  - Report should also include a cost estimate for all recommendations including equipment, labor (at prevailing wage rate), and any additional invasive investigations (if needed).

The final proposed scope of work by the selected vendor will be approved by Rebuild and PPR. All inspections are to be non-invasive. If invasive work is required, the report should identify the method recommended to be used and the associated cost. Any scope that is potentially destructive or invasive will require PPR permit paperwork.

During the period of this RFP, applicants are advised to refrain from accessing the site without properly notifying Community Ventures and PPR. A tour of the facility can be arranged ahead of the proposal due date if requested. In which case CV will coordinate with all potential applicants who wish to attend. In addition, due to the remaining restrictions related to COVID-19, consultants will be asked to follow Community Ventures COVID-19 safety plan and any additional requirements by state and local governments.

Insurance Requirements
Insurance requirements for professional services as required by Rebuild are as follows:
- General Liability: $1,000,000; PAID, the City and Community Ventures must be included as additional insureds
- Workers Compensation & Employers Liability: PA Statutory limits
- Automobile Liability: $1,000,000
  Crime Insurance: To be determined by the City for each project; the coverage limit shall be based on the average amount of funds the Project User has on hand and should cover Project User’s employees or staff who have financial responsibilities related to the receipt and/or disbursement of funds. City shall be “loss payee” under this insurance policy
